Do you have an idea for a small group event?

Could you step into a vacant role?

We will be only 6 on the committee next year so we need at least another lady to join us. What could you bring to our committee?

Speak to a committee member for more info or come along to a committee meeting to see what we do before you decide whether to join

This month is the last month for bra collections. So, don't forget to bring any more you have along to the meeting.
